Blood on the River is the explosive story of this little-known revolution, one that almost changed the face of the Americas. Drawing on nine hundred interrogation transcripts collected by the Dutch when the Berbice rebellion finally collapsed, and which were subsequently buried in Dutch archives, historian Marjoleine Kars reconstructs an extraordinarily rich day-by-day account of this pivotal event.

Thoroughly researched and historically accurate, *Blood on the River: James Town 1607* captures the time period and the landscape, along with a boy's personal struggles. The book explores the day-to-day lives of the colonists at James Town, Virginia, as well as contemporary themes such as learning how to react to anger and conflict.

*Study Guide: Blood on the River - Elisa Carbone, Author*

When Samuel Collier was twelve, he came to the brand new James Town colony as a servant to Captain John Smith. *Blood on the River* is his story. The story covers just before he came to the New World through the Starving Time (though he was at Point Comfort and so did not experience those terrible months the way those who stayed in James Town did).

also won two of the highest honors for works of history, capturing both the Frederick Douglass Prize and the Cundill History Prize in 2021. A book with profound relevance for our own time, *Blood on the River* “fundamentally alters what we know about revolutionary change” according to Cundill Prize juror and NYU history professor Jennifer Morgan. Nearly two hundred sixty years ago, on Sunday, February 27, 1763, thousands of slaves in the Dutch colony of Berbice—in present-day Guyana—launched a rebellion that came amazingly close to succeeding. *Blood on the River* is the explosive story of this little-known revolution, one that almost changed the face of the Americas. Michael Ignatieff, chair of the Cundill Prize jury, declared that *Blood on the River* “tells a story so dramatic, so compelling that no reader will be able to put the book down.” Drawing on nine hundred interrogation transcripts collected by the Dutch when the rebellion collapsed, and which were subsequently buried in Dutch archives, historian Marjoleine Kars has constructed what Pulitzer Prize-winning historian Eric Foner calls “a gripping narrative that brings to life a forgotten world.”

and foe.

The fascinating companion title to the award-winning historical novel *Blood on the River: James Town 1607*. After the colony of James Town is founded in 1607. After Captain John Smith establishes trade with the Native Americans. After Pocahontas befriends the colonists. After early settlers both thrive and die in this new world . . . a girl is born. Virginia. Virginia Laydon, an infant at the end of *Blood on the River*, has now grown up in a colony that is teetering dangerously on the precipice of conflict with the native Algonquins. Virginia has the gift, or the curse, of the knowing—an ability that could help save the colony, and is equally likely to land her at the burning stake as an accused witch. Virginia struggles to make sense of her own inner world against the backdrop of pivotal years in the Jamestown colony. The first representative government is established, the first enslaved Africans arrive, and the self-righteousness of the colony's leaders angers the Algonquin. When Virginia's mother first learns of her gift, she is terrified. Kill it, her mother says, or they will kill you. When accusations and danger threaten, Virginia learns that she is on her own; her mother must protect her young sisters rather than stand up for her. So begins a journey of self-realization and increasing strength, as Virginia goes from being a self-protective young girl to

someone who knows she must live her own truth even if it will be the end of her.

Includes an excerpt from A queen of gilded horns.

This astonishing novel takes us on a journey along the river of one family's history, carving a course across two centuries and three continents, from ancient Africa into today's America. Here, through the lives of Mother Africa's many daughters, we come to understand the real meaning of roots: the captive Proud Mary, who has been savagely punished for refusing to relinquish her child to slavery; Earlene, who witnesses her father's murder at the hands of the Ku Klux Klan; Big Momma, a modern-day matriarch who can make a woman of a girl; proud and sassy Cinnamon Brown, whose wild abandon hides a bitter loss; and smart, ambitious Alma, who is torn between the love of a man and the song of her soul. In *The River Where Blood Is Born*, the seen and unseen worlds are seamlessly joined--the spirit realms where the great river goddess and ancestor mothers watch over the lives of their descendants, both the living and those not yet born. Stringing beads of destiny, they work to lead one daughter back to her source. But what must Alma sacrifice to honor the River Mother's call?

THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS transports readers to the majestic landscapes and hard Native American lives of the desert Southwest and into the embrace of a way of looking at the world that seems almost like revelation. Born to a storytelling Native mother and a roughneck, song-singing cowboy father, Nasdijj has lived on the jagged-edged margins of American society, yet hardship and isolation have only brought him greater clarity--and a gift for language that is nothing short of breathtaking. Nasdijj tells of his adopted son, Tommy Nothing Fancy, of the young boy's struggle with fetal alcohol syndrome, and of their last fishing trip together. It is a heartbreaking story, written with great power and a diamondlike poetry. But whether Nasdijj is telling us about his son, about the chaotic, alternately harrowing and comical life he led with his own parents, or about the vitality and beauty of Native American culture, his voice is always one of searching honesty, wry humor, and a nearly cosmic compassion. While Nasdijj struggles with his impossible status as someone of two separate cultures, he also remains a contradiction in a larger sense: he cares for those who often shun him, he teaches hope though he often has none for himself, and he comes home to the land he then must leave. THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS is the memoir of a man who has survived a hard life with grace, who has taken the past experience of pain and transformed it into a

determination to care for the most vulnerable among us, and who has found an almost unspeakable beauty where others would find only sadness. This is a book that will touch your soul.

Chet Byrnes sets off to Arizona to start a new life, but a woman angling for his heart, a do-nothing sheriff, trigger happy outlaws, and a mysterious rancher threaten his new beginning.

After learning the truth of her heritage Eva is on the run with her sister Isa as her captive, but with the Queendom of Myre on the brink of revolution, Eva and Isa must make peace with each other to save their kingdom.

VINTAGE VOYAGES- A world of journeys, from the tallest mountains to the depths of the mind When Daily Telegraph correspondent Tim Butcher was sent to cover Africa he quickly became obsessed with the idea of recreating H.M. Stanley's famous expedition - but travelling alone. Despite warnings that his plan was 'suicidal', Butcher set out for the Congo's eastern border with just a rucksack and a few thousand dollars hidden in his boots. Making his way in an assortment of vessels including a motorbike and a dugout canoe, helped along by a cast of characters from UN aid workers to a campaigning pygmy, he followed in
