Volume Seven:

Hydrogen, the most abundant element in the universe, is viewed, along with electric vehicles, as one way to slow the environmentally destructive impact of the planet's 1.2 billion vehicles, most ...

A gripping tale of hatred, lies, and deadly tradition featuring Seattle detective J.P. Beaumont from the New York Times bestselling author of *Betrayal of Trust* J. A. Jance *Dismissed with Prejudice* The blood at the scene belies any suggestion of an "honorable death." Yet, to the eyes of the Seattle police, a successful Japanese software magnate died exactly as he wished—and by his own hand, according to the ancient rite of seppuku. Homicide Detective J.P. Beaumont can't dismiss what he sees as an elaborate suicide, however, not when something about it makes his flesh crawl. Because small errors in the ritual suggest something darker: a killer who will go to extraordinary lengths to escape detection—a fiend with a less traditional passion . . . for cold-blooded murder.

Life has shifted for J. P. Beaumont. After a tragic accident that devastated—and ultimately disbanded—his Special Homicide Investigaton Team, he accepts that he has left homicide detection behind at this point, but he has a lot of unanticipated free time on his hands. He's keeping busy with renovations on the new house that he and his wife, Mel Soames, the newly appointed chief of police in Bellingham, Washington, have bought. But new fixtures and paint palettes can occupy only so much of Beau's daily life, and Mel is encouraging him to return to where he is needed: investigating crimes. In the meantime, she is struggling to gain control of her new situation, cast into a department where some are welcoming—and some are not. It's been a few months, and the tension in the police department is rising, but Beau realizes Mel has to tackle things in her own way, so he refrains from advising. But when Beau shows up one afternoon to survey the construction at their new house and finds Mel's car there but no sign of her, his investigative instincts kick in. Suddenly he's back in the game—except this time, his heart is on the line as well as his professional dignity.

"J.A. Jance does not disappoint." –Washington Times The Chattanooga Times calls New York Times bestselling author J.A. Jance, "One of the best—if not the best," and this classic suspense masterwork featuring Seattle investigator J.P. Beaumont emphatically proves the point. In *Taking the Fifth*, a gruesome and very unusual murder plunges the intrepid Beau into a lethal cinematic nightmare. Michigan's *Flint Journal* places Jance "in the elite company of Sue Grafton and Patricia Cornwell." *Taking the Fifth*, now in a Premium Plus edition, is an ideal opportunity for fans of the author's Sheriff Joanna Brady books to discover another side to the incomparable J.A. Jance.

It looks like a classic crime of passion to Detective J.P. Beaumont: two corpses found lovingly entwined in a broom closet of the Seattle School District building. The prime suspect, Pete Kelsey, admits his slain spouse was no novice at adultery, yet he swears he had nothing to do with the brutal deaths of the errant school official and her clergyman-turned-security guard companion. Beau believes him, but there's something the much sinned-upon widower's not telling—and that spells serious trouble still to come. Because the secret Pete's protecting is even hotter than extra-marital sex. . . and it could prove more lethal than murder.

Top ten New York Times bestselling author J.A. Jance brings us another unforgettable mystery featuring Seattle detective J.P. Beaumont, who is fighting to save a frightened child from a brutal murderer. What kind of monster would break into a man's home at night, then slaughter him and his family? The fact that the dead man was a model cop who was loved and respected by all only intensifies the horror. But the killer missed someone: a five-year-old boy who was hiding in the closet. Now word is being leaked out that the victim was "dirty." But Seattle P.D. Homicide Detective J.P. Beaumont isn't about to let anyone drag a murdered friend's reputation through the muck. And he'll put his own life on the firing line on the gang-ruled streets to save a terrified child who knows too much to live.

A spellbinding tale of twisted depravity and blood vengeance featuring Seattle detective J.P. Beaumont from the New York Times bestselling author of *Betrayal of Trust* J. A. Jance *Impossible Cause* Perhaps it was fitting justice: a dentist who enjoyed inflicting pain was murdered in his own chair. The question is not who wanted Dr. Frederick Nielsen dead, but rather who of the many finally reached the breaking point. The sordid details of this case, with its shocking revelations of violence, cruelty, and horrific sexual abuse, would be tough for any investigator to stomach. But for Seattle Homicide Detective J.P. Beaumont, the most damning piece of the murderous puzzle will shake him to his very core—because what will be revealed to him is nothing less than the true meaning of unrepentant evil.

The dead body discovered in a Seattle dumpster was shocking enough—but equally disturbing was the manner of death. The victim, a high school coach, had been lynched, leaving behind a very pregnant wife to grieve over his passing, and to wonder what dark secrets he took to his grave. A Homicide detective with twenty years on the job, J.P. Beaumont knows this case is a powder keg and he fears where this investigation will lead him. Because the answers lie on the extreme lethal edge of passion and hate, where the wrong kind of love can breed the most terrible brand of justice.

The murder of an ex-drug dealer ex-con—gunned down on his mother's doorstep—seems just another turf war fatality. Why then has Seattle homicide investigator J.P. Beaumont been instructed to keep this assignment hush-hush? Meanwhile, Beau's lover and fellow cop, Mel Soames, is involved in her own confidential investigation. Registered sex offenders from all over Washington State are dying at an alarming rate—and not all due to natural causes. A metropolis the size of Seattle holds its fair share of brutal crime, corruption, and dirty little secrets. But when the separate trails they're following begin to shockingly intertwine, Beau and Mel realize that they have stumbled onto something bigger and more frightening than they anticipated—a deadly conspiracy that's leading them to lofty places they should not enter . . . and may not be allowed to leave alive.

A gripping story of buried truths, deceit, and sudden, brutal death featuring Seattle detective J.P. Beaumont from the New York Times bestselling author of *Betrayal of Trust* J. A. Jance *Minor in Possession* All manner of sinners and sufferers come to the rehab ranch in Arizona when they hit rock bottom. For Seattle detective J.P. Beaumont, there is a deeper level of Hell here: being forced to room with teenage drug dealer Joey Rothman. An all-around punk, Joey deserves neither pity nor tears—until he is murdered by a bullet fired from Beaumont's gun. Someone has set Beau up brilliantly for a long and terrifying fall, dragging the alcoholic ex-cop into a conspiracy of blood and lies that could cost him his freedom . . . and his life.
