This is the continuing story of how Bob & Abi found and renovated a dilapidated old country house with 6 acres in a tiny hamlet surrounded by mountains, deep in the Hautes Corbières: a region where ruined Cathar fortresses rise starkly against the skyline and place names are in both French & Occitan. Set in magnificent scenery within a protected forestry and conservation area, the location has a timeless atmosphere. It is a haven for wildlife with a climate varying from snowy winters to summer Canicules. A selection from eight years of humorous & informative e-mails accompanied by photos, chronicles their continuing renovation and life in a small, scattered rural community.

Packed with dozens of outrageous stunts, The Daredevil's Manual is a practical guide that unlocks the secrets of the bravest (and craziest) antics anyone could hope to get up to. Impress your friends by eating 50 hot dogs in 12 minutes, lifting anvils with your ears, walking on hot coals and swallowing a sword. If that seems a little tame, the truly insane will welcome the opportunity to learn how to wear a 10,000 bee beard, eat a live scorpion and ? for an encore ? hammer a nail into their nose. For those who enjoy living life without serious injury, simply reading the book is enough, with tongue in cheek instructions and step-by-step illustrations showing every gruesome move. Danger: this book could seriously damage your health

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.
