When God made me
When God made me
Was he planning only for believers
Or for those who just have faith?
Did he envision all the wars
That were fought in his name?
Did he say there was only one way
To be close to him?
When God made me
When God made me
Did he give me the gift of love
To say who I could choose?
When God made me
When God made me
When God made me

God Made All of Me by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it should be treated by others—without conveying a message of shame. Through carefully written language and relatable storytelling, God Made All of Me helps parents navigate discussion that can so easily be warped into confusion, embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of God Made All of Me, parents and caregivers can begin conversations with boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. God Made All of Me is the first children ’s book written by Rid of My Disgrace authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims of sexual abuse. Explore God Made All of Me and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

In this nonfiction picture book, young readers learn about their own special gifts and how they fit into God's divine plan as they grow, explore, and begin to create for themselves. The rhyming text provides assurance that they are a unique creation in our big universe.

God Made Me for Worship (a part of the God Made Me series) by Jared Kennedy helps children understand the complexity of a Christian worship gathering by using the vision of Isaiah 6. This beautifully illustrated children’s book celebrates how God reveals himself to his people in the movements of worship. Sitting in a worship service for any young child can be a difficult experience. One minute everyone is singing loudly, the next everyone is sitting and listening quietly (without talking!). Sometimes the adults know something that should be said out loud, like, “Thanks be to God!” How did they know what to say? How do people know when to talk to one another and shake hands? God Made Me for Worship focuses on teaching kids about the key liturgical movements in a worship gathering, including the call to worship, praise and adoration, confession, assurance and passing the peace, ministry of the Word and sacraments, and benediction and sending. Kennedy guides parents to help their kids understand why we’re intentional about worship, encouraging them to engage—not just to manage behavior during a worship gathering, but to invite kids to respond to God along with the whole church body.

This beautifully illustrated children’s book invites kids to explore God’s design for ethnic diversity and challenges readers—both parents and children—to learn and live out counter-cultural, biblical views, fostering a lifelong celebration of diversity for the glory of God. Designed for four- to eleven-year-olds, God Made Me AND You by Shai Linne is the second book in the God Made Me series, starting with God Made All of Me by Justin and Lindsey Holcomb. Because Scripture teaches that ethnic diversity is not something that should be tolerated but rather enthusiastically embraced, Christian hip hop artist Shai Linne helps children, parents, and caregivers to celebrate this biblical truth through a lyrical, rhyming style and colorful illustrations. God Made Me AND You is an approachable guide for families to begin conversations about cultivating a God’s perspective on ethnic diversity, confronting the sins of racism, bigotry, and ethnic pride. Because children learn from family members, media, or peers, parents and caretakers have a responsibility to teach their children what God has to say about the beauty of diversity in his image-bearers, with a particular focus on ethnic diversity. This colorful and compelling children’s book serves as a resource and lifelong gift for children and parents, helping families understand diversity from a biblical perspective and with a clear picture of the beauty and glory of God.

Does God, in His infinite wisdom, convince people to get rid of their car insurance? Does He encourage cannibalism? Does the God of more than six billion people actually have time to root for the Minnesota Vikings? According to some, yes. How do they know? God told them. Luckily, God also told Marc Hartzman to write this book, a collection of the most shocking, absurd, and hilarious things people have ever claimed God asked them to do, and to present them for your pure reading enjoyment. Including: The man that God told to perform surgery on himself
God's generous offer to miraculously fill his believer's gas tank
The fateful day God (assumedly feeling nostalgic for his teen years) asked a man to TP a police station
The woman God instructed to direct traffic—topless
And, sadly, many more
