Honolulu Alan Brennert

That's what Los Angeles writer Alan Brennert did in his previous novel, Moloka'i, the story of diseased Hawaiians exiled in their own land. He has done it again in "Honolulu," which focuses on the Asian immigrant experience in Hawaii, specifically that of Korean picture brides....This is a moving, multilayered epic by a master of historical fiction, in which one immigrant's journey helps us understand our nation's "becoming. "

Honolulu: Brennert, Alan: 9780312606343: Amazon.com: Books

Man, Alan Brennert has some gorgeous prose. I loved his first novel, Molokai, for its touching and painful look at the life of a young girl banished to a remote Hawaiian island after coming down with leprosy.

Honolulu by Alan Brennert | Book Club Discussion Questions ...

Honolulu Star-Bulletin "To its core, Honolulu is meticulously researched â € ˆ .Brennert portrays the Aloha State's history as complicated and dynamic-not simply a melting pot, but a Hawaiian-style 'mixed plate' in which, as Jin sagely notes, 'many different tastes share the plate, but none of them loses its individual flavor, and together they make up a uniquely "local" cuisine.'"
