Kleinian Theory: A Contemporary Perspective: Bronstein ...

While Fairbairn popularized the term "object relations", Melanie Klein's work tends to be most commonly identified with the terms "object relations theory" and "British object relations", at least in contemporary North America, though the influence of 'what is known as the British independent perspective, which argued that the primary motivation of the child is object seeking rather than drive gratification', is becoming increasingly recognized. Klein felt that the psychodynamic battleground ...
