Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell’s Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again.” Thus begins Hunter S. Thompson’s vivid account of his experiences with California’s most notorious motorcycle gang, the Hell’s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, “For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.” As illuminating now as when originally published in 1967, *Hell’s Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

Imagine a world with no limits, one in which your wildest fantasies can, and do, come true. That's exactly what the readers of Penthouse have done in this collection of pulse-quickenning letters. From sensual daydreams about hot coworkers to lusty fantasies of swashbuckling lotharios to couples' racy role-playing, Penthouse readers prove that there is no end to their erotic imagination.

Desire With No LimitsAs the owner of Tail, the most notorious techno brothel in New Chicago, mink-shifter Lorelei Chase specializes in fulfilling all of her clients' kinky fantasies. She just has one rule: Never sample the goods that her customers or workers offer.
