Violence threatens. So when a young teenage girl is savagely murdered while babysitting at the house of the lead attorney in the case, Detective Sonja Test believes the girl's murder and the divisive case must be linked. However, as the young detective digs deeper into her first murder case, she discovers sordid acts hidden for decades, and learns that behind the town's idyllic façade of pristine snow lurks a capacity in some for great darkness and the betrayal of innocents. And Sonja Test, a mother of two, will do anything to protect the innocent. "Gripping, topical, and wrenching—everything you want in a top-flight mystery."—Meg Gardiner, Edgar® Award-winning Author

From the New York Times bestselling author of The Silent Girls comes this chilling, harrowing thriller set in rural Vermont about a recluse who believes the young girl he's found in the woods is the reincarnation of his missing daughter, returned to help him solve her and his wife's disappearance. I won't say a word. Cross my heart and hope to die… Jonah Baum, a professor of poetry at a local college in Vermont, sees his ordinary life come tumbling down when his wife and young daughter vanish from their home. No evidence of a kidnapping. No sign of murder. No proof that Rebecca didn't simply abandon her marriage. Just Sally's crude and chilling drawings, Jonah's little lies, and the sheriff's nagging fears that nothing is what it seems. For Sally's best friend, Lucinda, it's something else. She trusts in Sally not to just disappear, not after they've shared so many secrets—especially about the woods and what they saw there. But she'll never tell. No one would believe her anyway. As the search for Rebecca and Sally intensifies, and as suspicion falls on Jonah, the disappearances become more relentlessly haunting than anyone can imagine. Because what's seen in the light of day is not nearly as terrifying as what remains hidden in the dark…
