~~A moving and universal picture book about empathy and kindness, sure to soothe heartaches big and small—now a New York Times bestseller and a perfect gift for any special occasion When something sad happens, Taylor doesn't know where to turn. All the animals are sure they have the answer. The chicken wants to talk it out, but Taylor doesn't feel like chatting. The bear thinks Taylor should get angry, but that's not quite right either. One by one, the animals try to tell Taylor how to act, and one by one they fail to offer comfort. Then the rabbit arrives. All the rabbit does is listen. . . which is just what Taylor needs. With its spare, poignant text and irresistibly sweet illustration, The Rabbit Listened is about how to comfort and heal the people in your life, by taking the time to carefully, lovingly, gently listen.~~

~~On July 28, 1851, Nathaniel Hawthorne's wife Sophia and daughters Una and Rose left their house in Western Massachusetts to visit relatives near Boston. Hawthorne and his five-year-old son Julian stayed behind. How father and son got along over the next three weeks is the subject of this tender and funny extract from Hawthorne's notebooks. "At about six o'clock I looked over the edge of my bed and saw that Julian was awake, peeping sideways at me." Each day starts early and is mostly given over to swimming and skipping stones, berry-picking and subduing armies of thistles. There are lots of questions ("It really does seem as if he has baited me with more questions, references, and observations, than mortal father ought to be expected to endure"), a visit to a Shaker community, domestic crises concerning a pet rabbit, and some poignant moments of loneliness ("I went to bed at about nine and longed for Phoebe"). And one evening Mr. Herman Melville comes by to enjoy a late-night discussion of eternity over cigars. With an introduction by Paul Auster that paints a beautifully observed, intimate picture of the Hawthornes at home, this little-known, true-life story by a great American writer emerges from obscurity to shine a delightful light upon family life—then and now.~~
