An introduction to geography presents pop-ups and flaps to lift with facts about each of the continents and the various countries of the world.

A brilliant novelty-packed introduction to the world in this fantastic junior pop up atlas.

A series of maps provide a continent-by-continent tour of the world, depicting such things as where the world's largest butterfly lives and which international border is crossed more than any other.

Following on from the 3D Pop-Up Explorer books comes this combination of detailed information about the world and fun interactive elements. This comprehensive, richly illustrated atlas takes you on an exciting globe-trotting journey continent by continent. With more than 20 pull-tabs, sliders, flaps, and pop-up effects, amazing facts about different countries, and pictures of some of the Earth's most dramatic landscapes, "The Ultimate Interactive Atlas of the World" is the ideal guide to the world around us.

"A strong . . . new trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way."—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophesy is true—what they do can change history, and it's up to them to set things right. "A new Narnia for the tween set."—The New York Times "[A] fast-paced, fully imagined fantasy."—Publishers Weekly "Echoes of other popular fantasy series, from "Harry Potter" to the "Narnia" books, are easily found, but debut author Stephens has created a new and appealing read . . ."—School Library Journal, Starred Review

Much more than an atlas, this book is a virtual travel experience! It includes more than 40 maps, 30 feature articles on impressive places, and more than 50 eye-popping 3-D photos of the world's most interesting sights. Readers visit the Grand Canyon, look down from the top of the Eiffel Tower, "snorkel" in the Great Barrier Reef, peek inside a blue ice cave in Antarctica, and more! Physical maps are also rendered in 3-D, so mountains bulge out from the page.

There's a whole world to discover inside this incredible pop-up and pull-out atlas! Take your child on an interactive tour around the world with the help of a spectacular 3D pop-up globe, amazing picture maps, fantastic pull-out pages, quizzes and masses of fabulous fun facts. They'll find out about continents and countries, people and places, flags and features and lots more!

Beautiful, illustrated maps packed with fascinating facts about people, cities, cultures, and landmarks. Stunning fold-out continent maps showcase the world's terrains and wildlife plus the countries of the world at a glance.
