Safety should be practiced all year round, but June is a special time when we come together annually to spread the word about preventing injury and death at work, on the road, and in our homes and communities. The focus areas for this year's National Safety Month are hazard recognition; slips, trips, and falls; fatigue; and impairment. In this blog, the National Institute for Occupational Safety and Health (NIOSH) and the National Safety Council (NSC) highlight research and prevention ...
