From a popular parenting blogger and the author of Positive Parenting, an interactive guide for any parent who wants to foster emotional connection in place of yelling, nagging, and power struggles With more than one million Facebook followers for her Positive Parenting online community, Rebecca Eanes has become a trusted voice among parents who are looking for a better way -- hoping to dial down the drama, frustration, stress and resentment that's all too common in our hectic times. This inspiring and inviting guide walks readers through the process of charting a new path, toward greater emotional awareness, clear communication, and even joyful moments in parenting (remember those?). Filled with encouraging prompts and plenty of room to record your progress, this is a much-needed addition to the positive parenting shelf -- and a companion to some of the most popular parenting guides on the market.

No Marketing Blurp

Brilliantly guides parents to take a look at their own experiences and to create a parenting plan that is not only unique to their family's needs, but also helps to provide a framework to create and implement their custom parenting strategies. A must read for any parent/caregiver! - Dr. Joanna Lindell, DO Board Certified Child and Adolescent Psychiatrist Parents quite rightly desire deep, long-lasting and loving connections with their children. In this exceptional workbook for all parents, Jacqueline Rhew and Robin Choquette teach parents ways to develop those deeper connections, highlighting strategies to raise resilient, confident and independent young people. The Successful Parenting Workbook is a hands-on guide designed to identify and create opportunities to better understand your current parenting strategies and your children, as well as create an individualized family plan. Inside this workbook, you will find: -Practical tools and tips, inventories, worksheets, assignments and strategies -Real-world example case studies and reflective questions -Step by step instructions on creating an individualized family plan Using this personalized, interactive and reflective parenting workbook, parents are guided to explore personal history, personality, and preferences that combine to create, intentionally and unintentionally, their current parenting strategies. Parents learn to establish goals that foster age-appropriate maturity in their children, identify current ineffective parenting, and create a new workable plan based on their identified family values. The workbook embodies a calm and confident approach which encourages each parent to develop specific strategies aligned with their child's emotional and cognitive development, resulting in more resilient, independent "future adults." Clinicians, consultants and presenters, Jacqueline and Robin are experts in their field, working to inspire children, adolescents and parents. Together, they have over 35 years experience working with professionals and parents. Jacqueline and Robin have conducted over 300 training sessions both locally and nationally on a wide array of topics relating to goal-directed parenting and resilient children. Their approach to purposeful parenting has helped thousands of families. They hope you, like so many of their training session participants, find The Successful Parenting Workbook a useful companion, and a resource you can turn to at any stage of your child's development. "This is a must-read for every family that yearns to create peace and harmony. " --Shefali Tsabary, Ph.D., New York Times bestselling author of The Conscious Parent Tired of yelling and nagging? True family connection is possible--and this essential guide shows us how. Popular parenting blogger Rebecca Eanes believes that parenting advice should be about more than just getting kids to behave. Struggling to maintain a meaningful connection with her two little ones and frustrated by the lack of emotionally aware books for parents, she began to share her own insights with readers online. Her following has grown into a thriving community--hundreds of thousands strong. In this eagerly anticipated guide, Eanes shares her hard-won wisdom for overcoming limiting thought patterns and recognizing emotional triggers, as well as advice for connecting with kids at each stage, from infancy to adolescence. This heartfelt, insightful advice comes not from an "expert," but from a learning, evolving parent. Filled with practical, solution-oriented advice, this is an empowering guide for any parent who longs to end the yelling, power struggles, and downward spiral of acting out, punishment, resentment, and shame--and instead foster an emotional connection that helps kids learn self-discipline, feel confident, and create lasting, loving bonds.

From Marriage and Family Experts Dennis and Barbara Rainey Dennis and Barbara Rainey have spent decades helping families find biblical help to strengthen and transform family relationships. Through radio broadcasts, conferences, and other events, they have been teaching on the foundations necessary for building godly families. Now they bring insights and expertise gleaned from those years of ministry, as well as from their own personal experience of raising six children, to The Art of Parenting. Expanding on parenting themes shared with FamilyLife audiences in person and on the radio, Dennis and Barbara offer trusted advice on how to establish Christian values in your home. In The Art of Parenting, Dennis and Barbara will help you to experience God's truth and apply his Word in your family by focusing your attention on four crucial elements in your children's lives: 1. Identity--understanding who they are in Christ 2. Character--learning to live wisely and honorably 3. Relationships--fostering godly connections with others 4. Mission--understanding why they are here When you apply biblical truths in these four areas, you can feel confident your children will have a foundation they can build upon for the rest of their lives.
