Eden I was an advanced reader as a kid and this is not a book for children. My daughter saw the movie at 17 and will not read the book and she was an advanced reader as well. The way that King deals with the deaths in the book is amazing but it is not the way to start the conversation with your 10 year old.

In 1983, Stephen King released Pet Sematary, a novel so unsettling that even King himself felt he had gone too far. Decades later, it holds up...

A family moves into a beautiful old home in rural Maine, not realizing the horror that awaits them from the pet cemetery and Indian burial ground behind the house.

Now a major motion picture! Stephen King's #1 New York Times bestseller is a "wild, powerful, disturbing" (The Washington Post Book World) classic about evil that exists far beyond the grave—among King's most iconic and frightening novels. When Dr. Louis Creed takes a new job and moves his family to the idyllic rural town of Ludlow, Maine, this new beginning seems too good to be true. Despite Ludlow's tranquility, an undercurrent of danger exists here. Those trucks on the road outside the Creed's beautiful old home travel by just a little too quickly, for one thing...as is evidenced by the makeshift graveyard in the nearby woods where generations of children have buried their beloved pets. Then there are the warnings to Louis both real and from the depths of his nightmares that he should not venture beyond the borders of this little graveyard where another burial ground lures with seductive promises and ungodly temptations. A blood-chilling truth is hidden there—one more terrifying than death itself, and hideously more powerful. As Louis is about to discover for himself sometimes, dead is better...

""Sometimes dead is better....""
When the Creeds move into a beautiful old house in rural Maine, it all seems too good to be true: physician father, beautiful wife, charming little daughter, adorable infant son -- and now an idyllic home. As a family, they've got it all...right down to the friendly cat. But the nearby woods hide a blood-chilling truth -- more terrifying than death itself...and hideously more powerful.

Jason Arnopp - author of acclaimed cult hit The Last Days of Jack Sparks - returns with a razor-sharp thriller for a social-media obsessed world. Prepare to never look at your phone the same way again . . . Kate Collins has been ghosted. She was supposed to be moving in with her new boyfriend Scott, but all she finds after relocating to Brighton is an empty apartment. Scott has vanished. His possessions have all disappeared. Except for his mobile phone. Kate knows she shouldn't hack into Scott's phone. She shouldn't look at his Tinder, his calls, his social media. But she can't quite help herself. That's when the trouble starts. Strange, whispering phone calls from numbers she doesn't recognize. Scratch marks on the walls that she can't explain. And the growing feeling that she's being watched. Kate refuses to leave the apartment - she's not going anywhere until she's discovered what happened to Scott. But the deeper she dives into Scott's digital history the more Kate realizes just how little she really knows about the man she loves. For more from Jason Arnopp, check out: The Last Days of Jack Sparks

It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, “a landmark in American literature” (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. “Stephen King's most mature work” (St. Petersburg Times), “It will overwhelm you...to be read in a well-lit room only” (Los Angeles Times).

"Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of Negative Space
"And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles slopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of Hunchback '88

When Poppy's sister falls to her death from a railway bridge, she begins her own investigation, with devastating results ... A startlingly twisty debut thriller. 'Uncovering the truth propels her into a world of deception. An unsettling whirlwind of a novel with a startlingly dark core. 5 Stars' The Sun
'Sharp, confident writing, as dark and twisty as the Brighton Lanes' Peter James 'Superb up-to-the-minute thriller. Prepare to be seriously disturbed' Paul Finch
\_\_\_\_\_
When India falls to her death from a bridge over a railway, her sister Poppy returns home to Brighton for the first time in years. Unconvinced by official explanations, Poppy begins her own investigation into India's death. But the deeper she digs, the closer she comes to uncovering deeply buried secrets. Could Matthew Temple, the boyfriend she abandoned, be involved? And what of his powerful and wealthy parents, and his twin sister, Ana? Enter the mysterious and ethereal Jenny: the girl Poppy discovers after hacking into India's laptop. What is exactly is she hiding, and what did India discover...? A twisty, dark and sexy debut thriller set in the winding lanes and underbelly of Brighton, centring around the social media world, where resentments and accusations are played out, identities made and remade, and there is no such thing as the truth.
\_\_\_\_\_
'Well written, engrossing and brilliantly unique, this is a fab debut' Heat
'With twists and turns in every corner, prepare to be surprised by this psychological mystery' Closer
'Lucy V Hay's fiction debut is a twisted and chilling tale that takes place on the streets of Brighton ... Like Peter James before her, Hay utilises the Brighton setting to create a claustrophobic and complex read that will have you questioning and guessing from start to finish. The Other Twin is a killer crime-thriller that you won't be able to put down' CultureFly
'Crackles with tension' Karen Dionne
'A fresh and raw thrill-ride through Brighton 's underbelly. What an enjoyable read!' Lijja Sigurðardóttir
'Slick and compulsive' Random Things through My Letterbox
'A propulsive, inventive and purely addictive psychological thriller for the social media age' Crime by the Book
'Intense, pacy, psychological debut. The author's background in scriptwriting shines through' Mari Hannah
'The book merges form and content so seamlessly ... a remarkable debut from an author with a fresh, intriguing voice and a rare mastery of the art of storytelling' Joel Hames
'This chilling, claustrophobic tale set in Brighton introduces an original, fresh new voice in crime fiction' Cal Moriarty
'The writing shines from every page of this twisted tale ... debuts don't come sharper than this' Ruth Dugdall
'Wrong-foots you in ALL the best ways' Caz Frear
'Original, daring and emotionally truthful' Paul Burston
'A cracker of a debut! I couldn't put it down' Paula Daly

Now a major motion picture starring Ewan McGregor! From master storyteller Stephen King, his unforgettable and terrifying sequel to The Shining—an instant #1 New York Times bestseller that is “[a] vivid frightscape” (The New York Times). Years ago, the haunting of the Overlook Hotel nearly broke young Dan Torrance’s sanity, as his paranormal gift known as “the shining” opened a door straight into hell. And even though Dan is all grown up, the ghosts of the Overlook—and his father’s legacy of alcoholism and violence—kept him drifting aimlessly for most of his life. Now, Dan has finally found some order in the chaos by working in a local hospice, earning the nickname “Doctor Sleep” by secretly using his special abilities to comfort the dying and prepare them for the afterlife. But when he unexpectedly meets twelve-year-old Abra Stone—who possesses an even more powerful manifestation of the shining—the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot, reigniting Dan’s own demons and summoning him to battle for this young girl’s soul and survival...
