After decades of British rule Kenya has declared its independence, but drought and poor harvests still govern the village of Ilmorog. Undeterred, Munira, Karega, Wanja and Abdulla each move to Ilmorog in search of a more provincial life, only to find themselves suspects in a crime that signals a dark turning of the times. A classic of modern African literature, Ngugi wa Thiong'o's damning satire of politics and corruption in Kenya would prove the catalyst for his imprisonment by the Kenyan government.

"The definitive African book of the twentieth century" (Moses Isegawa, from the Introduction) by the Nobel Prize-nominated Kenyan writer The puzzling murder of three African directors of a foreign-owned brewery sets the scene for this fervent, hard-hitting novel about disillusionment in independent Kenya. A deceptively simple tale, *Petals of Blood* is on the surface a suspenseful investigation of a spectacular triple murder in upcountry Kenya. Yet as the intertwined stories of the four suspects unfold, a devastating picture emerges of a modern third-world nation whose frustrated people feel their leaders have failed them time after time. A New York Times Editors' Choice "A welcome addition to the vast literature produced by jailed writers across the centuries . . . [a] thrilling testament to the human spirit." –Ariel Dorfman, The New York Times Book Review "Wrestling with the Devil is a powerful testament to the courage of Ngũgĩ and his fellow prisoners and validation of the hope that an independent Kenya would eventually emerge." –Minneapolis Star Tribune "The Ngũgĩ of Wrestling with the Devil called not just for adding a bit of color to the canon's sagging shelf, but for abolition and upheaval." –Bookforum An unforgettable chronicle of the year the brilliant novelist and memoirist, long favored for the Nobel Prize, was thrown in a Kenyan jail without charge Wrestling with the Devil, Ngũgĩ wa Thiong'o's powerful prison memoir, begins literally half an hour before his release on December 12, 1978. In one extended flashback he recalls the night, a year earlier, when armed police pulled him from his home and jailed him in Kenya's Kamiti Maximum Security Prison, one of the largest in Africa. There, he lives in a prison block with eighteen other political prisoners, quarantined from the general prison population. In a conscious effort to fight back the humiliation and the intended degradation of the spirit, Ngũgĩ—the world-renowned author of Weep Not, Child; Petals of Blood; and Wizard of the Crow—decides to write a novel on toilet paper, the only paper to which he has access, a book that will become his classic, Devil on the Cross. Written in the early 1980s and never before published in America, Wrestling with the Devil is Ngũgĩ's account of the drama and the challenges of writing the novel under twenty-four-hour surveillance. He captures not only the excruciating pain that comes from being cut off from his wife and children, but also the spirit of defiance that defines hope. Ultimately, Wrestling with the Devil is a testimony to the power of imagination to help humans break free of confinement, which is truly the story of all art.

This remarkable and symbolic novel centers on Wariinga's tragedy and uses it to tell a story of contemporary Kenya.

A dazzling, genre-defying novel in verse from the author Delia Owens says "tackles the absurdities, injustices, and corruption of a continent" Ngũgĩ wa Thiong'o's novels and memoirs have received glowing praise from the likes of President Barack Obama, the New Yorker, the New York Times Book Review, The Guardian, and NPR; he has been a finalist for the Man International Booker Prize and is annually tipped to win the Nobel Prize for Literature; and his books have sold tens of thousands of copies around the world. In his first attempt at the epic form, Ngũgĩ tells the story of the founding of the Gĩkũyũ people of Kenya, from a strongly feminist perspective. A verse narrative, blending folklore, mythology, adventure, and allegory, The Perfect Nine chronicles the efforts the Gĩkũyũ founders make to find partners for their ten beautiful daughters—called "The Perfect Nine"—and the challenges they set for the 99 suitors who seek their hands in marriage. The epic has all the elements of

adventure, with suspense, danger, humor, and sacrifice. Ngũgĩ's epic is a quest for the beautiful as an ideal of living, as the motive force behind migrations of African peoples. He notes, "The epic came to me one night as a revelation of ideals of quest, courage, perseverance, unity, family; and the sense of the divine, in human struggles with nature and nurture."
