Skill training guides Training is an activity which is done in order to increase the players' experience in one or more skills. Activities which are not done primarily for gaining experience are not usually considered to be training (for example, fighting Zulrah in order to obtain rare item drops). There are many ways to train all skills.

Skill training guides | Old School RuneScape Wiki | Fandom

This guide describes the most effective methods to train the Agility skill. The experience rate estimates in this guide do not incorporate the use of any experience boosting items or bonus experience. Agility is a support skill that allows players to regain run energy more quickly and to take advantage of shortcuts found throughout RuneScape. Training the Agility skill often involves completing laps of courses composed of series of obstacles that grant Agility experience when traversed ...
