The Indian adaptation of the 9th edition of this book on social psychology provides broad insights in to the culture, traditions and contexts of Indian society while explaining the various concepts of social behavior. The strength of this adapted edition is to actively engage the students by including real-life examples in Indian context along with the empirical Indian researches which are comparable with the vast in-depth scientific study of the various social psychological concepts. Features

- The book includes Indian case studies, data and researches so as to bring clarity about the causes, consequences and control of different social problems in the Indian scenario
- To facilitate better learning and understanding, the book contains review questions, ' Try It! ' exercises and knowledge testing through multiple-choice questions
- These are retained in the adaptation with a few modifications in the Indian context. Last but not the least, this adaptation book is a dynamic introduction

to the science, relevance and applications of social psychology in the Indian context  
4.

Sometimes you know things you ' re not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you

love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the “ Triangle Terror ” ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon ’ s preteen sister, Alexis, is murdered in their home, plunging Landon ’ s life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister ’ s murder? And so begins Landon ’ s journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's *Third Watch* and Dean Koontz's *The Neighbor*. Read as a standalone or as the companion book to *A Secondhand Life*.

Travel bans. Quarantines. Global Pandemics. Wildfires. The modern world is beset by disasters that governments and emergency services are ill-equipped to handle. In 2020 the best defense against these threats is to prepare yourself and your family against the ever-increasing dangers of the modern world. Survival and preparedness expert Joseph Pred and the editors of *Outdoor Life* magazine share 294 tips and plans to deal with dangers and scenarios that can affect you and your family's safety. Be prepared - in today's America, your best defense is to be ready.
