Stephen King's The Mist novella, and its 2007 movie adaptation, both hint at the true cause of the monsters, but a deleted scene makes it explicit. From Poe to Faulkner to Toni Morrison and Cormac McCarthy, many of the best and most critically acclaimed works of American literature have been Gothic. The book will demonstrate how the Gothic provides a forum for discussing key issues of American culture, for exploring forbidden subjects, and for providing a voice for the repressed and silenced.
