One Minute Manager Meets the Monkey. How to Manage Your Staff and How to Manage Your Manager... Keep the Monkeys on the proper shoulders.

When a person goes to the boss with a problem and the boss agrees to do something about it, the monkey is off his back and onto the boss's. How can managers avoid these leaping monkeys? Here is priceless advice from three famous experts: how managers can meet their own priorities, give back other people's monkeys, and let them solve their own problems.

One simple idea can set you free: Don't take on a problem if it isn't yours! One of the most liberating books in the extraordinary One Minute Manager Library teaches managers an unforgettable lesson: how to have time to do what they want and need to do. The authors tell why managers who accept every problem given them by their staffs become hopeless bottlenecks. With a vivid, humorous, and too-familiar scenario they show a manager loaded down by all the monkeys that have jumped from their rightful owners onto his back. Then step by step they show how managers can free themselves from doing everyone else's job and ensure that every problem is handled by the proper staff person. By using Oncken's Four Rules of Monkey Management managers will learn to become effective supervisors of time, energy, and talent -- especially their own. If you have ever wondered why you are in the office on the weekends and your staff is on the golf course, The One Minute Manager Meets the Monkey is for youit's priceless!
