Eventually, I came across an ideal option: Inanna, the ancient Sumerian goddess of love, sensuality, beauty, and war, who later came to be equated with Ishtar and even later inspired the Greek goddess Aphrodite. The poems and myths from that time period paint a very consistent picture of her: seductive, ambitious, and impulsive.

I Think About This a Lot: Inanna, the Sumerian Goddess

The Sumerian hymn Inanna and Utu contains an etiological myth describing how Inanna became the goddess of sex. At the beginning of the hymn, Inanna knows nothing of sex, [123] so she begs her brother Utu to take her to Kur (the Sumerian Underworld), [123] so that she may taste the fruit of a tree that grows there, [123] which will reveal to her all the secrets of sex. [123]

Inanna, also known as Ishtar in Akkadian mythology, is a goddess associated with the morning and evening star, Venus. She is viewed as both an independent, powerful and sensual figure, but also as a young girl under patriarchal control. The goddess is also noted for her dual-nature — her feminine as well as masculine traits.

Inanna - Sumerian Goddess of Fertility, Love, Sex and War ...

The first possibility is that she emerged as a deity within the polytheistic Semitic groups of the Near East around 3500-4000 B.C.E., and then was eventually adopted by the Sumerians to fill in some gaps in their pantheon, taking on roles that hadn't already been designated as the domain of existing gods and goddesses. The second theory is that Inanna was a syncretic goddess—one who formed as a blend of the characteristics of several already existing deities in the Sumerian world.
