When you live in a place where "turbo speed" internet is a slight step above dial-up, men carry on nine-year beard-growing challenges out of stubborn pride, and your brothers do things like nail all your panties to the outside of your cabin just for funsies, you tend to be a little crazy. You can call it a "locational" hazard, if you will.That's Tomahawk for you.We rank people based on just how crazy they are. And the four craziest families in town are called the Wild Ones.I'm on the bottom tier of those, so technically I'm not as crazy as the other Wild Ones. In fact, if it wasn't for my brothers and their endless antics, I wouldn't be considered a Wild One at all. Ahem. Sure. We'll go with that.Anyway, I have a best friend who endures it all with me. Benson Nolans is my one, constant favorite person.Without him, I'd probably go really crazy, and not the fun kind. It'd be ridiculous, after three years of a flawless friendship, to mess that all up by falling for him.I mean, even if we did get a little too close one night, it'd be reckless endangerment. Even if we did suddenly feel the chemistry that's always been there and stop toeing the line, it'd be a foolish risk to take.It'd be stupid to start hoping a really fun, but completely irrational, night with zero inhibitions might accidentally happen.Really stupid...Right?*NO cliffhanger*Stand-alone book*Sexual Content*Adult language*Completely, 100% crazy

“ An instant classic...highly recommended! ” —New York Times and USA TODAY bestselling author Jennifer Probst USA TODAY bestselling indie author Alice Clayton delights readers with the sexy, laugh-out-loud romance of Caroline and Simon in Wallbanger, the first book in the Cocktail series! The first night after Caroline moves into her fantastic new San Francisco apartment, she realizes she ’ s gaining an—um—intimate knowledge of her new neighbor ’ s nocturnal adventures. Thanks to paper-thin walls and the guy ’ s athletic prowess, she can hear not just his bed banging against the wall but the ecstatic response of what seems (as loud night after loud night goes by) like an endless parade of women. And since Caroline is currently on a self-imposed “ dating hiatus, ” and her neighbor is clearly lethally attractive to women, she finds her fantasies keep her awake even longer than the noise. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.
