The writer of Hebrews knew the Real Jesus. He wanted to make sure the reader know the facts about Jesus. He said: Jesus is the Son of God: The Jewish reader would need to know this first and be willing to accept this or none of the others would make sense. Jesus is how God created the universe: It is as if the write has read John 1.1 and 1 John 1.1 where the apostle speaks of all creation happening through Jesus. Jesus is the very character of God: If you want to know God the father all you really need to know is His son Jesus. Jesus sustains everything by his mighty power: Not only is he the creator, he is also the one who keeps everything running. God did not create and then step back. He is actively involved in what is happening. Jesus is the one who cleanses sins: After stating his relationship with God the writer wants all who read his book to know Jesus is the answer to humanity's sin problem. Jesus is now setting at God's right hand: He is the resurrected Lord who has the position and power to back up and enforce all that has been promised, both positive and negative. The Real Jesus is the resurrected Lord. He is the one we serve and the one who directs our lives. This is the Real Jesus these studies work to introduce you to. Bob Highlands III
